```

HASIL:

The screenshot shows a Python IDE with two windows. The left window, titled 'Modul6_1.py', contains a merge sort implementation. The right window, titled 'Python 3.8.2 Shell', shows the output of the program. The output is a list of numbers: 2, 4, 5, 10, 13, 18, 23, 29, 31, 51, 64. The status bar at the bottom indicates 'Ln: 79 Col: 0'.
